TechNet Professional Automotive Service Centers are a group of elite, locally-owned and professionally operated shops with the benefits of a nationwide network, who care about delivering exceptional customer service.

**CONFIDENCE DELIVERED**

TechNet shops provide you with dependable service backed by a Nationwide Warranty for at least 24 months/24,000 miles, Roadside Assistance coverage, and at participating locations, Road Hazard Tire Protection.

**WHEN YOU CHOOSE TECHNET, YOU CHOOSE PEACE OF MIND**

When you choose a TechNet Professional Automotive Service Center, you are choosing trained ASE certified technicians, the highest quality parts, the latest equipment and the newest technology to diagnose and repair your vehicle.

**OUR SERVICE PROMISE**

We take pride in delivering exceptional customer service. When you visit a TechNet Professional facility, you can expect to receive dependable service from an independently-owned business backed by the benefits of a national network.

**TECHNET PROFESSIONAL'S COVERAGE OFFERED AT OUR SHOP INCLUDES:**

Our Nationwide Warranty covers you for at least 24 months or 24,000 miles. Wherever you go, our warranty goes with you and is honored at thousands of locations in North America, giving you peace of mind and protection.

Roadside Assistance coverage supports you when you need it most. You are covered for lock out, flat tire repair, fluid delivery, battery jump start or tow with any repair or service. You can be reimbursed up to \$150 in a year.

Road Hazard Protection will repair or replace your tires for up to three years if you encounter unpredictable dangers on the road.

**OPTION 2: Written for Members to add to an existing services page with full TechNet**
